

# CUMMINS OVERHAULS FOR ISLG

ALWAYS ON

## ISLG Overhaul Discount

As the ISLG engine population continues to rise in shuttle and school bus, urban transit, vocational, medium-duty truck and tractor natural gas applications, the need for convenient and affordable Genuine product offerings is critical. To meet this need and incentivize mid-life repairs, Cummins is offering a **\$1,350<sup>USD</sup> or \$1,772<sup>CAD</sup> discount** to customers who purchase all of the listed parts for a single engine on a single invoice.

## ISLG Overhaul Rebate Program
